

Unexpected Adventure
TORRES

UNEXPECTED ADVENTURE TORRES

Torres del Paine – the explorer's dream.

The ultimate land of adventure.

The inspiration behind the Torres, informed by this dramatic natural scenery.

A rare and unforgettable experience.

This is the exhilaration of adventure, and why you have been waiting for Torres.

FREE YOUR SPIRIT OF ADVENTURE

Bold, rugged, confident - Torres has been designed from the ground up for your next adventure. With its three-dimensional headlamps and daytime running lights, LED rear lights and spare wheel cover inspired tailgate, it looks every bit like an authentic SUV.

POWERED BY TOUGHNESS

Taking its design cues from the original and authentic SUV, this new car reinterprets the spirit and heritage of KGM.

By blending the elements of the original design into a bold, confident look fused with innovative technology and functionality – this is Torres.

CLEAR LENS, FULL LED HEADLIGHTS / 6 VERTICAL GRILLE CASTELLATIONS
FLAG STYLE EXTERIOR DOOR MIRRORS

COMBINATION LED REAR LIGHTS
BODY-COLOURED HEXAGONAL REAR TRIM & EXTERIOR TAILGATE HANDLE

TEAL GREY & GREIGE WHITE 2-TONE INTERIOR COLOUR

WIDEN YOUR HORIZONS

Sitting behind its wide, slim and contemporary dashboard gives you the sense of space and an uninterrupted view of the route ahead. Whether driving through the city or on your way to the mountains, relish the unfolding landscape and the excitement just around the next corner.

AMBIENT LIGHTING

Soft and luxurious mood lighting which can be set in any one of 32 colours, accentuates the interior and can be adjusted at night to prevent glare and create a sense of calm.

TEAL GREY & GREIGE WHITE 2-TONE INTERIOR COLOUR

SMART, DIGITAL AND INTUITIVE

Integrated seamlessly into the harmonious and ergonomic interior design, Torres minimises the use of physical controls while ensuring clear communication, ease of operation and convenience by presenting information on three separate displays including an 12.3-inch touch screen that is intuitive and easy to use.

1. 12.3" smart audio system with HD rearview camera
2. Apple CarPlay and Google Android Auto
3. Front dual zone auto air conditioning system
4. 3D 360° Around View Monitoring System including clear-sight ground view

STYLE YOUR WAY

While the exterior of Torres imbues a rough and tough vibe, the interior is intended to portray a more delicate, comfortable and contemporary space. You can finish your Torres to match your individual style with a selection of interior colours - grey, black or brown, and adjust your seat position and other features to achieve exactly the right level of convenience, comfort and relaxation.

1. 40:60 split rear seats with 32.5° reclining 2. Powered 8-way front seats with driver 2-way lumbar support 3. Hanger headrest 4. Heated seats, front and rear 5. Ventilated front seats

TEAL GREY & GREIGE WHITE 2-TONE INTERIOR COLOUR

SPACE FOR YOUR ADVENTUROUS LIFE

Torres offers an amazing living space and practicality for you and your lifestyle.

SMART POWER-OPERATED TAILGATE

INTERNAL TAILGATE OPENING BUTTON

LOAD UP AND TAKE OFF

The load area has the best-in-class capacity from 703litres – 1,662litres.

A large luggage space befitting a mid-size SUV.

There is also a discrete and hidden space under the load floor for even greater space efficiency and security.

This huge and useable space will become part of your new way of living.

- CHOICE OF SEATING CONFIGURATIONS**
Load space
1. 2nd row 100% FOLDED (1,662litres)
 2. 2nd row 60% FOLDED (1,320litres)
 3. 2nd row 40% FOLDED (1,181litres)
 4. NORMAL SEATING (703litres)

POWERFUL, DYNAMIC AND FUN

Wherever your next journey takes you, you'll enjoy the drive with Torres. Its direct injection turbo petrol engine and smooth, efficient transmission responds quickly from the start, demonstrating excellent performance under real driving conditions. Feel the fun building and the control you get from the optimised driving/steering modes: normal, sport and winter driving mode with the automatic transmission.

1.5 GDI TURBO PETROL ENGINE

With the global trend for high-performance downsized engines, this unit delivers maximum torque from a low of 1,500rpm, for dynamic driving in everyday life.

Max. Power (PS/rpm)	163 / 5,000 ~ 5,500
Max. Torque (Nm/rpm)	280 / 1,500 ~ 4,000
Displacement	1,497 cc
Petrol Engine	1.5 GDI turbo

'SHIFT BY WIRE' TOGGLE SWITCH

The latest 3rd generation 6-speed AISIN automatic transmission chosen for some of the world's best cars gives a superb shift performance for an agile, smooth drive.

IDLE STOP & GO SYSTEM (ISG) [EURO 6D-TEMP ONLY]

When the vehicle is stationary (and the brake pedal is pressed), the engine automatically stops running. This prevents it idling and improves fuel economy.

DRIVING MODE SYSTEM

Three optimised driving modes (Comfort, Sport & Winter) with the automatic transmission.

78%
HIGH-TENSILE
STEEL

BUILT WITH THE MOST ADVANCED HIGH-STRENGTH STEEL

The rigidity, integrity and safety of the bodyshell have been strengthened by using high-tensile steel in 78% of its construction while also utilising Hot Press Forming.

UPHILL OR DOWN DALE – GO SAFELY

Torres delivers best-in-class safety – no compromise.
With a best-in-class 8 airbags and the highest utilisation of high-tensile steel plate, the safety of driver and passengers is assured.
And there are seatbelt reminders for all five seating positions to ensure every journey is safe from the moment the car starts.

8 AIRBAGS

1. Driver's airbag 2. Driver's knee airbag 3. Passenger's airbag 4&5. Driver's & passenger's side airbags
6&7. Curtain airbags 8. Seat centre airbag

SEATBELT REMINDER FOR ALL FIVE SEATING POSITIONS

DRIVE WITH CONFIDENCE

Wherever the spirit of adventure takes you, get there and back safely. By fusing innovative intelligent technology into an original and authentic looking SUV, Torres delivers a comprehensive suite of state-of-the-art driving assistance features, making it one of safest and most relaxing cars to drive and travel in.

THE LATEST ADVANCED DRIVER ASSISTANCE SYSTEMS

Autonomous Emergency Braking (AEB)
Helps avoid or minimise the risk of collision by detecting slower moving or stalled vehicles and warning the driver in advance.

**Centering Lane Keeping Assist (CLKA)
Lane Departure Warning (LDW)**
CLKA uses a front camera to monitor the painted lane markers. On detecting an attempt to change lane without prior signaling, it automatically corrects the electric power steering to keep the vehicle within the intended lane.

**Blind Spot-detection Warning (BSW)
Blind Spot-Collision Assist (BSA)**
Automatically assists braking if the risk of collision with vehicles in the blind-spot while changing lanes is detected.

**Rear Cross Traffic Collision Assist (RCTA)
Rear Cross Traffic Warning (RCTW)**
When reversing and an approaching vehicle is detected in its path, RCTA sounds an alarm and automatically applies the brakes to stop the vehicle and minimise the risk of collision.

Smart High Beam (SHB)
Automatically lowers the high beam when an approaching vehicle is detected, making night-driving easier and safer.

Front Vehicle Start Warning (FVSW)
Attracts driver's attention with a visual pop-up alert and audible sound when the vehicle directly in front is pulling away.

Safety Exit Warning (SEW)
Warns of the risk of collision with vehicles in the blind spot when an occupant opens a door to get out of the vehicle once stationary.

Safety Distance Warning (SDW)
Detects the distance to the vehicle ahead and warns the driver when a safe distance is not properly secured.

INTELLIGENT ADAPTIVE CRUISE CONTROL (IACC) CENTERING LANE KEEPING ASSIST (CLKA)

This provides lane centre assist control at any speed when in IACC autonomous driving mode. CLKA improves driver convenience by helping the vehicle to stay in the centre of its lane whether driving at high or low speed by monitoring the lane lines through the front camera and adjusting the steering.

* When using IACC, drivers are advised to keep their hands on the steering wheel and keep looking forward for safety.

ELECTRONIC STABILITY CONTROL (ESC)

The ESC features a multi collision brake system (MCB) that prevents secondary crashes following a primary accident, and trailer stability assist (TSA) helps prevent your trailer or caravan from swaying side-to-side when towing.

1. Electronic stability control (ESC) 2. Multi collision brake (MCB) 3. Trailer stability assist (TSA)

AWD SYSTEM

Whether going off-road or driving in the rain, Torres achieves its safe driving performance through the optimal distribution of driving force between the front and rear wheels. This is all thanks to the AWD system developed by KGM with its proven track record in the design and manufacture of four-wheel drive.

Driving

2WD

AWD

AWD lock mode

FOR THE ROAD AHEAD

Whether climbing a mountain or fording a river, Torres will remain sure-footed throughout. With its extremely impressive four-wheel drive system, Torres offers an exemplary off-road ability on even the toughest terrain, and you can tow a boat, trailer or caravan without trepidation.

FORDING

Submersion up to a depth of 300mm (under 30km/h) is achievable through the highly effective waterproofing of its chassis.

Under 30km/h
Depth 300mm

TOWING CAPABILITY

In the event of a trailer snaking while being towed, the trailer stability assist function takes over to help the driver regain control when this alarming phenomenon starts to affect the steering and directional stability.

with braked trailer
1,500kg

with unbraked trailer
750kg (2WD/MT) or 500kg (2WD/AT, 4WD/AT)

FOR A WORLD OF ADVENTURE

Drawing on the spirit of the Torres del Paine paradise deep within South America, Torres gives you the confidence to go wherever you choose, inspiring you to explore higher and further to savour new horizons.

FEATURES

BE READY FOR ANYTHING — AND DO IT IN STYLE.

FEATURES LIST

ENGINE & FUEL SYSTEM
1.5litre gasoline direct injection (GDI) turbo engine (163ps/280Nm)
Engine acoustic cover
Electronic cruise control
Speed assistance system
Euro 4 with catalytic converter with 47litre fuel tank
Euro 6d-temp emission with gasoline particulate filter & 50litre fuel tank
Idle stop & go (ISG) system with electric energy management (EEM) with euro 6d-temp emission
Voltage stabiliser
Single exhaust silencer
DRIVE TRAIN
Front wheel drive system
6-speed manual transmission with urethane transmission gear knob
3rd-generation AISIN 6-speed automatic transmission with 'By Wire' gear changing via toggle control and paddle shift (optional)
Active AWD with lock function (optional)
STEERING SYSTEM
Electric power steering
Driving modes - Comfort/Sport/Winter
Manually-controlled telescopic and tilt steering
Mechanical steering column lock
Electric steering column lock (deluxe)
Urethane steering wheel
Silver-painted steering wheel bezel
Leather-covered steering wheel (optional)
Heated & leather-covered steering wheel (optional)
SUSPENSION
Front Macpherson strut suspension
Multilink rear suspension
Shock absorbers & coil springs
BRAKE SYSTEM
Ventilated front disc brakes and rear disc brakes
Electronic parking brake with auto-hold function
Electronic stability control (ESC) with antilock brake system (ABS), traction control system (TCS), active roll-over protection (ARP), brake assist system (BAS), hill start assist (HSA), emergency stop signal (ESS), hill descent control (HDC), trailer stability assist (TSA) and multi collision brake system (MCB)
WHEELS AND TYRES
17" alloy wheels with 225/60R tyres
18" diamond-cut finished alloy wheels with 235/55R tyres (optional)

20" diamond-cut finished alloy wheels with 245/45R tyres (optional)
Temporary spare tyre with luggage board and luggage side tray (optional)
Tyre repair kit (optional)
Tyre pressure monitoring system (optional)
EXTERIOR
Body-coloured bumpers
Long or short license plate detailing
Exterior rear view mirrors, electrically controlled, foldable and heated
Body-coloured exterior rear view mirrors with side repeaters
Natural-coloured side sill mouldings
Black A-pillar trim
Metallic-look C-pillar detail
Body-coloured exterior door handles
Body-coloured hexagonal rear centre detailing
Bonnet detailing
Trailer tow hitch mounting
Black-coloured styled roof rails (optional)
Black two-tone exterior package – roof, roof rail, C-pillar and air spoiler (optional)
GLASS
Tinted windscreen with noise control glass
Tinted glass on front & rear doors, quarterlights and tailgate
Solar control & laminated front door glass (deluxe)
Privacy glass on the rear doors, quarterlights and tailgate (deluxe)
INTERIOR
Charcoal black interior colour
Teal grey & greige white 2-tone interior colour
Rawhide brown interior colour
Sun visors with vanity mirror, illumination and extension
Adjustable day/night rearview mirror
Electrochromic interior rearview mirror (deluxe)
Padded dashboard with grain
Silver finished inside door handles
Deluxe centre console with storage tray
Leather-covered door trim
Plastic front and rear door scuff
Floor mounted accelerator pedal
Luggage cover (optional)
Luggage board with deluxe centre luggage tray (optional)
Stainless-steel front door scuff (optional)
Manual roller blind (optional)
Floor mats (optional)
Warning triangle (optional)

SEATS
5 seats
Manually height-adjustable driver's seat with sliding head rest
Manually adjustable passenger's seat with sliding head rest
Front seat back map pockets
40:60 split foldable rear seat with 32.5 degree tilt
Cloth upholstery
Thermoplastic polyurethane (TPU) upholstery including rear seat centre armrest and cup holder (deluxe)
Leather upholstery including rear seat centre armrest and cup holder (deluxe)
8-way power-adjustable front seats with sliding hanger headrest (deluxe)
Driver's seat with 2-way powered lumbar support (deluxe)
Passenger's seat walk-in-device (deluxe)
Ventilated front seats (deluxe)
Heated seats, front and rear (deluxe)

SAFETY
Dual airbags for driver and passenger
Front seat side airbags (optional)
Curtain airbags front and rear (optional)
Driver knee airbag (optional)
Airbag on / off switch for front passenger
Front seat belts with ELR pretensioner and load limiter
Front seat belts with ELR pre-tensioner, load limiter and anchor pre-tensioner (deluxe)
3-point seat belts fitted to the two rear side seats and one lap belt on the centre seat
Rear seat with three 3-point seat belts and child seat anchorage (deluxe)
Driver &passenger seat belt reminders
Rear seat belt reminder for all seating positions (deluxe)
Autonomous Emergency Braking (AEB) with Lane Departure Warning (LDW), Smart High Beam (SHB), Front Vehicle Start Warning (FVSW), Driver Drowsiness Attention Warning (DDAW) and Safety Distance Warning (SDW)
Rear Blind Spot Detection (BSD) including Blind Spot Detection Warning (BSW), Lane Change Collision Warning (LCW), Rear Cross Traffic Warning (RCTW) (optional)
Rear Blind Spot Detection (BSD) including Blind Spot Detection Warning (BSW), Lane Change Collision Warning (LCW), Rear Cross Traffic Warning (RCTW), Blind Spot Collision Assist (BSA), Rear Cross Traffic Collision Assist (RCTA) and Safety Exit Warning (SEW) (optional)
Intelligent Adaptive Cruise Control (IACC) including Centering lane keeping assist (CLKA)

CONVENIENCE
12.3" full colour LCD cluster including trip computer

LED front head lights with leveling
LED front direction indicators
High mounted central LED brake light
Rear combination lamp with LED brake lights
Powered driver's door window with 1-touch lowering
Front safety powered windows (deluxe)
Bulb interior light / LED interior light (deluxe)
Manually operated tailgate
Smart power-operated tailgate (deluxe)
Remote keyless entry system with folding controller
Dual smart key system with auto locking system (deluxe)
Immobiliser with keyhole illumination
Anti-theft alarm
Twin horn
Speed adjustable front windscreen wipers
Rain sensing windscreen wipers (deluxe)
Automatic headlight control
Rear parking sensors
Four front and rear parking sensors (deluxe)
Intermittent rear wiper
12V front power socket
LED front fog lights (optional)
LED rear fog light (optional)
LED daytime running light (optional)
Safety power sunroof (optional)
Wireless charger (optional)
3D 360 degree around view monitoring system (optional)
Mood lamp pack (32 colour selections) [Ambient lighting on the instrument panel, door trim and centre console, door trim cover-ing on the front and rear door centres and soft-touch area to the upper front doors]
CLIMATE CONTROL
Front dual zone auto air conditioning system
Heater and air compressor
Air conditioner filter
Rear air vent on centre console

AUDIO & VIDEO
12.3" smart audio with HD rearview camera
Car connectivity - Apple CarPlay & Google Android Auto
Bluetooth hands free
6 speakers
Shark-fin antenna with GPS
Remote control audio switches on steering wheel
USB charger & USB slots, front and rear
